5 **Almohalla 51** near Malaga, 24C

Tucked in the historic quarter amid labyrinthine lanes in the centre of Archidona — about 30 miles north of Malaga — Almohalla 51 is a five-bedroom boutique B&B with a secretive feel. Rooms have exposed beams, terracotta tile floors, whitewashed walls and an unpretentious style. The B&B is more like a boutique hotel. As well as feast-like breakfasts, the owners will prepare lunches and dinners on request, although there are plenty of good bars and restaurants close by. There's a little pool on one of the upper floors.

Details B&B doubles cost from €80 (0034 952 2716 370, almohalla51.com).
